Up, Up, and Away!

Make Learning Accessible, Inclusive, and Awesome For All!

Presenter: Chris Bugaj, MA CCC-SLP

Learn how to use technology to design educational experiences which empower students of all abilities to take control of their own learning. Practice practical applications for how to leverage contemporary educational practices such as Universal Design for Learning, The Growth Mindset, Project Based Learning, The Least Restrictive Option, The Maker Movement, and Open Educational Resources to improve your practice and outcomes! Come to the session as an ordinary, everyday educator and leave transformed as an Educational Experience Designer with enhanced powers and abilities! Chris Bugaj – author and assistive technology guru, will be your instructor through this free, 2 day introductory boot camp.

Location: Arizona Department of Education
3300 N Central Ave., 16th Floor, Phoenix
Time: 8:00 a.m. - 3:30 p.m.

Bring your laptop or tablet, charger, and desire to learn new tricks!

Lunch on your own.
