Project SEARCH at University of Arizona is an unpaid internship program that trains high school students from Pima County who have a significant disability and are committed to seeking competitive employment in the community. This nine-month school-to-work program model features total immersion in a business setting through a series of three rotations (10-12 weeks) in various departments within a host business. It also includes instructional time for reinforcement of employment skills and career exploration opportunities — all while providing on-site job coaching and accommodations design, as needed, to support the goal of independence.

Students participate in the program through the Pima County Joint Technology Education District (Pima JTED) and are dually enrolled with Pima JTED and their home district during the program year.

A prospective intern must:
- Be a high school student from Pima County who has an Individualized Education Plan (IEP), is between 18 to 21 years of age, is nearing high school graduation, and agrees to exit educationally relevant related services.
- Have a strong desire and commitment to work competitively at the end of the program.

- Have a goal to work at least 20 hours per week after program completion.
- Have the ability to meet host business clearance requirements.
- Be willing to utilize and train for public transportation to access Project SEARCH and future competitive employment.

Program does not provide transportation; incoming interns agree to exit transportation services provided by their home district.
Cat Card – Interns are responsible for a $25.00 fee to receive their UA Cat Card. A Cat Card is required as proof of being an associate on the University of Arizona campus and provides access to various campus facilities and events. In addition to the fee, interns must provide a government or state issued photo identification card (e.g., driver’s license, state ID card, or passport) when applying for a Cat Card; program staff assist interns with this process upon completion of registration during the initial program week (orientation).

Classroom – Interns begin their day with classroom instruction in the Project SEARCH classroom (Disability Resource Center, B116) located on the street level of Highland Commons, UA Campus (1224 W. Lowell Street). After rotations conclude at 2:00p.m., interns return to UA Disability Resource Center for reflection with the instructor.

Participant Selection/Eligibility Criteria (continued)

Be able to maintain appropriate behavior, hygiene, and social skills in the workplace without immediate supervision.

*Interns are supported in their rotations by instructors, job coaches, and mentors. However, the expectation is that support fades as interns gain skills and confidence within a rotation. A young adult requiring one-on-one support would not be a candidate for this program.*

Be able to communicate effectively (may be other than verbal) and take direction from a supervisor.

Have a significant barrier to competitive employment.

This program serves individuals with a range of abilities. Selection is not based on an education label or diagnosis. Rather, the selection committee endeavors to develop a cohort that is diverse in its abilities and other traits such as ethnicity, gender, cultural background, and the like.

The goal of this process is to select applicants who are likely to be successful in the program at the end of which they will have training, experience, and skills necessary to become competitively employed.

If selected, candidates are required to comply with the following upon acceptance:

- Sign and submit *Project Search Intern Contract/Project Search Intern and Support Person Agreement* (links to online documents are included with notice of selection)
- Work with the Individualized Education Plan (IEP) team to revise his/her IEP for the 2018/2019 school year
- Enroll with home district for the 2018/2019 school year
- Submit current Individualized Education Plan (IEP) and Course Transcript
- Contact Kara Matthews for questions related to JTED enrollment: 520-352-5833 or kmatthews@pimajted.org.
